

# The Canadian Federation of University Women

## Workshops (choose 2)

### #1 Planting/Growing & Reaping - Marketing CFUW

It is an integrated process through which you create value for members and build strong relationships in order to capture value from members in return.

### # 2 Fun in Fundraising

**Fundraising** is the process of soliciting and gathering contributions as money or other resources, by requesting donations from individuals and businesses. Learn how to be successful and have fun at the same time.

### #3 Interest in Interest Groups

**Interest groups** have experienced considerable growth in number and range during the twenty-first century. Learn why they are important and how to set up for fun, enjoyment and education.

### #4 Education Today

Education in the largest sense is any act or experience that has a formative effect on the mind, character or physical ability of an individual. Learn the new demographics and how they have changed over the years.

## CFUW Perth and District

# Working together for Women and Girls

The Canadian Federation of University Women advocates for women's equality, social justice, human rights, quality education, peace and the environment
